Discussions

There is no Federal holiday in August.

If you were to make a holiday for August what and when would it be?

The number one answer was:

“Enjoy Summer Day” sandwiched right between July 4 and Labor Day.

This month features numerous national observances:

Statehood Day (Hawaii): Celebrated on the third Friday in August.

August 4: U.S. Coast Guard Birthday

August 7: Sea Serpent Day, National Lighthouse Day,

Women's Equality Day: Observed nationwide on August 26 to commemorate the passage of the 19th Amendm
