APRIL BIRTHDAYS

April birth month symbols are all about freshness. Daisy, the April birth flower, represents innocence and purity, while the diamond birthstone symbolizes fearlessness and faithfulness. The duck, April's bird of the month, symbolizes endurance and cheer.

HATS

While there are not many official records of hats before 3,000 BC, they probably were commonplace before that.

One of the earliest known confirmed hats was worn by a [Bronze Age](#) man (nicknamed [Ötzi](#)) whose body (including his hat) was found frozen in a mountain between Austria and Italy, where he had been since around 3250 BC. He was found wearing a bearskin cap with a chin strap, made of several hides stitched together, essentially resembling a [Russian fur hat](#) without the flaps.
